THE OUTDOOR LIVING

One area of home to come the furthest in terms of design over the years is the outdoor living space i.e. the commonly termed **balcony area**. This space has come a long way in terms of aesthetics, style, and sense of living.

At Spire, with a **spacious balcony** the indoor activity elegantly spills into the outdoors. The project has a decorated outdoor space that comes with a **planter box** and carefully designed internal & external architecture. This allows residents to create the perfect space that befits their tastes and needs.

All you need is an Outdoor Space, Music and Barbeque!
